[www.hollandavenue.com](http://www.hollandavenue.com)

It is hard to believe Joy and I have been with you for over six months. We are grateful for this

opportunity because we have been blessed by your prayer support and your friendliness. You have truly made us feel a part of this fellowship.

Our Transitional Focus Team is about to complete the study and research portion of their work. Now they will move into setting the steps necessary to help Holland Avenue Baptist Church focus on Kingdom results in our

ministry, organization, and programs. We will work to keep you as the congregation informed of our progress. We will also be soliciting your aid in implementing the steps. As always, we earnestly need your prayer support because this work can only be effectively done with God's guidance and power.

To help us all better understand what God wants from us as a church, I will soon be preaching a new sermon series. We will explore the five functions of a church used to fulfill the Great Commission and explore the Kingdom results God

expects His churches to produce.

The registration for SALT is January 26. We will have it in conjunction with a "Soup Cook-off" contest. Plan to come for a good meal and learn about the many interesting and life-building classes that are going to be offered.

May God continue to bless each of you for your faithfulness to Him.

Your transitional pastor,  
Ken Harmon

## { Youth News }

It is so wonderful to begin a new year at Holland Avenue! I am looking forward to an amazing year as we share our time together learning and living in God's Word.

This week we will continue our Gathering on Wednesday Nights! It was great to have a good turn out the first week back from break. We will continue learning about our God and how he wants us to live our lives as his disciples. Remember to invite your friends, especially those who are unchurched and need the knowledge of a loving and merciful God.

On Thursday, the high school students will leave for a Ski Trip that will also involve nightly Bible

Study. I am excited to be able to lead this study on Eternity and look forward to how God will speak to each of us. Please pray for a safe trip and for God's spirit to move among us as we are together studying his word. We will return Sunday afternoon.

Please continue to keep yourself updated on the Youth News bulletin board outside the church library. If you have not filled out a yellow information card please let me know so that I can contact you more effectively. We also have a text service for those who wish to receive information that way. The number and message to enroll are also located on the bulletin board and as follows. Just text @habc to 619-274-8654.

I would also like to take the opportunity to thank all of you for the love offering that you provided to my family and me this Christmas. Having the privilege of serving with you and ministering to our youth is a tremendous honor and I am so thankful that you place your faith in me.

Looking forward to seeing each of you soon!

Brad

# Children's Ministry

*Building a Foundation of Faith  
for the Future  
Preschool through 5th Grade*

Each new year brings new opportunities. In children's ministry at HABC there are two brand new opportunities underway.

1. The addition of Wee Worship for 3's and 4's and new age divisions in Children's Worship (K-1st and 2nd-5th). Now every Sunday there are three separate, age appropriate worship opportunities for children!
2. The implementation of an electronic check-in system. This is going to make our children safer and give us the ability to have proper records which will aid in ministry and outreach. Special thanks to Eddie Adams and Lucas Shupe who have worked to purchase and install the necessary hardware. Full implementation should take place in February.

## CentriKid Camp Informational Meeting

If you are remotely interested in sending your 3rd-6th grader to camp please attend a question and answer meeting on Wednesday, January 22 at 5:30PM in the Children's Church room upstairs. The children talk about their experiences at camp all throughout the year. Decisions need to be made quickly as deposits are due mid February.

## Vacation Bible School, June 16-20

Calendars get booked up very quickly so here is the date for VBS this year. This is going to be high-energy fun with deep Bible truths. Don't miss it.

## For the Heart

In this you greatly rejoice, though now for a little while, if need be, you have been grieved by various trials, that the genuineness of your faith, being much more precious than gold that perishes, though it is tested by fire, may be found to praise, honor, and glory at the revelation of Jesus Christ.  
(1 Peter 1:6-7)

What a wonderful start we have had in Wee Worship! We have 10 precious little ones who are eager to learn and we are having a blast learning Bible principals on the children's level. Wee Worship meets each Sunday at 10:30am on the preschool hall. See Lindsay Shupe if you would live to minister to these children during the year.

## **Kingdom Agenda by Tony Evans**

### **Led by: Dr. Harmon**

Which Kingdom will you serve? The world's or God's? Only one King is worthy of your supreme devotion. In this study, led by Ken Harmon, you will discover your identity, role, and responsibilities in God's Kingdom, as well as the rights and blessings granted to Kingdom citizens.

## **Kisses for Katie**

### **Led by: Chuck Underhill**

What would cause an eighteen-year-old high school homecoming queen and senior class president to drop everything and move to Uganda to live with some of the poorest people in the world? Only love, and a desire to follow Jesus wherever He leads, could make a young woman choose this path. And Katie Davis did just that, forgoing a college education, disappointing her parents and boyfriend, to teach and care for children half a world away.

In Kisses from Katie, Katie Davis shares her journey of radical love that led her from a short-term missions trip in 2006, to adopting 13 Ugandan girls and starting a ministry that feeds and teaches hundreds of children every day. It hasn't always been an easy choice for Katie, but the joy of serving the people of Uganda brings a deeper sense of fulfillment. Her remarkable story will inspire you to believe that every life is precious and you can make a difference wherever you are.

## **Gideon by Priscilla Shirer**

### **Led by: JJ Marcum**

Ever feel insufficient? Could it be that your weaknesses are the keys that unlock God's strength? Through a look at the life of Gideon, you can discover that instead of ignoring, neglecting, or trying to escape your weaknesses, you can see them as the gifts, given specifically and strategically by God to unlock the door of God's strength.

## **DivorceCare**

### **Led by: Caron Moore**

DivorceCare helps group members apply biblical principles as they heal from the hurt of separation and divorce. Throughout the videos and workbook, participants see how the gospel brings hope and restoration.
