In a letter to a journalist dated June 5, 1908, President Theodore Roosevelt wrote:

"I believe in the men who take the next step; not those who theorize about the 200th step."

That doesn't mean that the 200th step is a waste of time, but it does mean that the 200th step is a bit useless if you do not take the next step in front of you.

This month we celebrate the grace that God has shed on our country because there were men and women and even boys and girls that took the next steps of freedom.

The greatest freedom a person can have is to be free from the eternal penalty of sin. The greatest treasure a person can have is salvation in Jesus Christ. The greatest satisfaction a person can ever have is knowing Jesus Christ as Savior and Friend and King. All of those great things require the same thing...the next step.

I am super excited for us to welcome Jody and Melanie Ratcliffe and their daughters, MaCayla (17) and Leia (14), and their son Aiden (12) to Holland Avenue.

Jody is joining our staff as the Next Steps Pastor. He will be helping us design and implement and establish and enjoy a strategy for helping Holland Avenue grow stronger through personal relationships.

He will be helping some people take the next step toward salvation in Jesus Christ. He will be helping some people take the next step toward being a serving part of the church through membership. He will be helping some people take the next step toward encouragement and purpose through joining a small group on Sunday mornings or during the week. He will be helping me and our staff take the next step toward loving and shepherding the church through teamwork and vision.

Thank you for welcoming Jody and his precious family and cheering him on as we all keep striving to making much of Jesus together in the corners of our community and to the far corners of the world.

So happy to be taking next steps with you,

Dow
